WARD BOUNDARIES

An Act

In amendment of section 12 of chapter 301 of the general laws, 1938, entitled, "constitution and organization of the general assembly," and in amendment of section 30 of chapter 1392 of the public laws, January session, 1906, entitled, "an act to revise, consolidate and amend the act, entitled, 'an act incorporating the city of Newport,' and the several acts in amendment thereof and in addition thereto, passed April 2, 1875" and of all acts in amendment thereof and in addition thereto.

It is enacted by the General Assembly as follows:

SECTION 1. Section 12 of chapter 301 of the General Laws, 1938, is hereby amended to read as follows:

" Section 12. The city of Newport is hereby divided into four representative districts, bounded and described as follows:

"(1) The first representative district shall consist of all that part of said city contained within the following described lines: starting at the point where the Middletown-Newport boundary line intersects the center line of Beacon Street; thence, running in a general westerly direction along the center line of Beacon Street to the point where the centr line of Beacon Street intersects the center line of Hillside Avenue; thence, running in a general southerly direction along the center line of Hillside Avenue to the point where the center line of Hillside Avenue intersects the center line of Miantonomi Avenue extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Miantonomi Avenue to the point where the center line of Miantonomi Avenue intersects the center line of Sagamore Street; thence, running in a general southwesterly direction along the center line of Sagamore Street to the point where the center line of Sagamore Street intersects the center line of Canonicus Avenue extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Canonicus Avenue to the point where the center line of Canonicus Avenue continued in a general southeasterly direction intersects the center line of Broadway; thence, running in a general southwesterly direction along the center line of Broadway to the point where the center line of Broadway intersects the center line of Malbone Road extended in a general southeasterly direction; thence, running in a general northwesterly direction along the said extended center line and the center line of Malbone Road to the point where the center line of Malbone Road intersects the center line of Warner Street extended in a general northeasterly direction; thence, running in a general southwesterly direction along the said extended center line and the center line of Warner Street to the point where the center line of Warner Street continued in a general southwesterly direction intersects the center line of Farewell Street; thence, running in a general southeasterly direction along the center line of Farewell Street to the point where the center line of Farewell Street intersects the center line of Thames Street extended in a general northerly direction; thence, running in a general southerly direction along the said extended center line and the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Long Wharf extended in a general easterly direction; thence, running in a general westerly direction along the said extended center line and the center line of Long Wharf to the point where the center line of Long Wharf intersects the harbor line extended North four degrees sixteen minutes and thirty-seven seconds East; thence, running South four degrees sixteen minutes and thirty-seven seconds West along the said extended harbor line to the point where the said extended harbor line intersects the line of mean high water; thence, running in a general westerly, southerly, westerly, northwesterly, westerly, northerly, easterly, northerly, westerly, northeasterly, southeasterly, and northeasterly direction along the line of mean high water to the point where the line of mean high water in Coddington Cove (so called) intersects the Middletown-Newport boundary line; thence, running in a general southeasterly direction along the Middletown-Newport boundary line to the point where the Middletown-Newport boundary line intersects the center line of Beacon Street, which is the starting point or point of beginning.

This representative district shall also include the Islands known as "Goat Island" and "Coasters Harbor Island."

"(2) The second representative district shall consist of all that part of said city contained within the following described lines: starting at the point where the Middletown-Newport boundary line intersects the center line of Beacon Street; thence, running in a general westerly direction along the center line of Beacon Street to the point where the center line of Beacon Street intersects the center line of Hillside Avenue; thence, running in a general southerly direction along the center line of Hillside Avenue to the point where the center line of Hillside Avenue intersects the center line of Miantonomi Avenue extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Miantonomi Avnue to the point where the center line of Miantonomi Avenue intersects the center line of Sagamore Street; thence, running in a general southwesterly direction along the center line of Sagamore Street to the point where the center line of Sagamore Street intersects the center line of Canonicus Avenue extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Canonicus Avenue to the point where the center line of Canonicus Avenue continued in a general southeasterly direction intersects the center line of Broadway; thence, running in a general southwesterly direction along the center line of Broadway to the point where the center line of Broadway intersects the center line of Malbone Road extended in a general southeasterly direction; thence, running in a general northwesterly direction along the said extended center line and the center line of Malbone Road to the point where the center line of Malbone Road intersects the center line of Warner Street extended in a general northeasterly direction; thence, running in a general southwesterly direction along the said extended center line and the center line of Warner Street to the point where the center line of Warner Street continued in a general southwesterly direction intersects the center line of Farewell Street; thence, running in a general southeasterly direction along the center line of Farewell Street; to the point where the center line of Farewell Street intersects the center line of Thames Street extended in a general northerly direction; thence running in a general southerly direction along the said extended center line and the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Marlborough Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Marlborough Street to the point where the center line of Marlborough Street continued in a general easterly direction intersects the center line of Broadway; thence, running in a general northeasterly direction along the center line of Broadway to the point where the center line of Broadway intersects the center line of Ayrault Street extended in a general northwesterly direction; thence, running in a general southeasterly direction along the said extended center line and the center line of Ayrault Street to the point where the center line of Ayrault Street continued in a general southeasterly direction intersects the center line of Kay Street; thence, running in a general northeasterly and easterly direction along the center line of Kay Street, across Kay Boulevard and continuing along the center line of a proposed street, which is a continuation of Kay Street, to the point where the center line of the said proposed street continued in a general easterly direction intersects the center line of Bliss Mine Road; thence, running in a general northerly direction along the center line of Bliss Mine Road to the point where the center line of Bliss Mine Road intersects the Middletown-Newport boundary line; thence, running in a general northwesterly direction along the Middletown-Newport boundary line to the point where the Middletown-Newport boundary line intersects the center line of Beacon Street, which is the starting point or the point of beginning.

(3) The third representative district shall consist of all that part of said city contained within the following described lines: starting at the point where the Middletown-Newport boundary line intersects the center line of Bliss Mine Road; thence, running in a general southerly direction along the center line of Bliss Mine Road to the point where the center line of Bliss Mine Road intersects the center line of a proposed street, which is a continuation of Kay Street, extended in a general easterly direction; thence, running in a general westerly direction along the said extended line and the center line of the said proposed street, across Kay Boulevard and continuing in a general westerly and southwesterly direction along the center line of Kay Street to the point where the center line of Kay Street intersects the center line of Ayrault Street extended in a general southeasterly direction; thence, running in a general northwesterly direction along the said extended center line and the center line of Ayrault Street to the point where the center line of Ayrault Street continued in a general northwesterly direction intersects the center line of Broadway; thence, running in a general southwesterly direction along the center line of Broadway to the point where the center line of Broadway intersects the center line of Marlborough Street extended in a general easterly direction; thence, running in a general westerly direction along the said extended center line and the center line of Marlborough Street to the point where the center line of Marlborough Street continued in a general westerly direction intersects the center line of Thames Street; thence, running in a general southerly direction along the center

line of Thames Street to the point where the center line of Thames Street intersects the center line of Long Wharf extended in a general easterly direction; thence, running in a general westerly direction along the said extended center line and the center line of Long Wharf to the point where the center line of Long Wharf intersects the harbor line extended North four degrees sixteen minutes and thirty-seven seconds East; thence, running in a general southerly direction along the said extended harbor line and the harbor line to the point where the harbor line intersects the center line of Hammett's Wharf (so called) extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Hammett's Wharf (so called) to the point where the center line of Hammett's Wharf (so called) continued in a general easterly direction intersects the center line of Thames Street; thence, running in a general northerly direction along the center line of Th nes Street to the point where the center line of Thames Street intersects the center line of Fair Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Fair Street to the point where the center line of Fair Street continued in a general easterly direction intersects the center line of Spring Street; thence, running in a general southerly direction along the center line of Spring Street to the point where the center line of Spring Street intersects the center line of Bowery Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Bowery Street, across Bellevue Avenue and along the center line of East Bowery Street to the point where the center line of East Bowery Street continued in a general easterly direction intersects the center line of Annandale Road; thence, running in a general southerly direction along the center line of Annandale Road to the point where the center line of Annandale Road continued in a general southerly direction intersects the center line of Narragansett Avenue; thence, running in a general easterly direction along the center line of Narragansett Avenue to the point where the center line of Narragansett Avenue continued in a general easterly direction intersects the line of mean high water of the Atlantic Ocean; thence, running in a general northerly and northeasterly direction along the line of mean high water to the point where the line of mean high water of the Atlantic Ocean intersects the Middletown-Newport boundary line; thence, running in a general northwesterly direction along the Middletown-Newport boundary line to the point where the Middletown-Newport boundary line intersects the center line of Bliss Mine Road, which is the starting point or the point of beginning.

(4) The fourth representative district shall consist of all that part of said city contained within the following described lines; starting at the point where the harbor line intersects the center line of Hammett's Wharf (so called) extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Hammett's Wharf (so called) to the point where the center line of Hammett's Wharf (so called) continued in a general easterly direction intersects the center line of Thames Street; thence, running in a general northerly direction along the center line of Thames Street to the point where the center line of Thames Street intersects the center line of Fair Street, extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Fair Street to the point where the center line of Fair Street continued in a general easterly direction intersects the center line of Spring Street; thence, running in a general southerly direction along the center line of Spring Street to the point where the center line of Spring Street intersects the center line of Bowery Street extended in a general westerly direction; thence, running in a general easterly direction along the said extended center line and the center line of Bowery Street, across Bellevue Avenue and along the center line of East Bowery Street to the point where the center line of East Bowery Street continued in a general easterly direction intersects the center line of Annandale Road; thence, running in a general southerly direction along the center line of Annandale Road to the point where the center line of Annandale Road continued in a general southerly direction intersects the center line of Narragansett Avenue; thence, running in a general easterly direction along the center line of Narragansett Avenue to the point where the center line of Narragansett Avenue continued in a general easterly direction intersects the line of mean high water of the Atlantic Ocean; thence, running in a general southerly direction along the line of mean high water to Ochre Point (so called), thence continuing in a general southwesterly direction along the line of mean high water to Coggeshall Ledge (so called), thence continuing in a general westerly direction along the line of mean high water to Brenton Point (so called), thence continuing in a general northerly direction along the line of mean high water to Castle Hill (so called), thence continuing in a general northeasterly and southerly direction along the line of mean high water to the point where the line of mean high water in Brenton Cove (so called) intersects the harbor line extended in a general southwesterly direction; thence, running in a general northeasterly and northerly direction along the said extended harbor line and the harbor line to the point where the harbor line intersects the center line of Hammett's Wharf (so called) extended in a general westerly direction, which is the starting point or the point of beginning.

This representative district shall also include the islands known as "Gooseberry Island" and "Lime Rocks."

SECTION 2. Section 30 of chapter 1392 of the public laws, passed April 19, 1906, entitled, "An act to revise, consolidate and amend the act, entitled, 'An act incorporating the city of Newport,' and the several acts in amendment thereof and in addition thereto, Passed April 2 1875," as amended by chapter 1308 of the public laws, 1915, and by chapter 1661 of the public laws, 1930, and by the chapter 2409 of the public laws, January session, 1936, and by chapter 2458 of the public laws, December session, 1936, is hereby further amended to read as follows:

IRON FIREMAN *Oil* HEATING

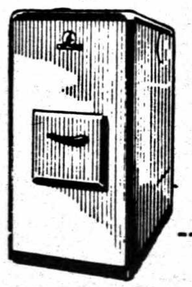

IRON FIREMAN
Vortex OIL BURNER

Saves up to 30% on your fuel bill!

Oil-Fired furnaces and boilers for warm air, steam or hot water systems, with built-in Iron Fireman Vortex oil burner.

Why keep on fussing with a thirsty old style oil burner or a troublesome coal fire? The Iron Fireman Vortex oil burner, with exclusive whirling bowl-shaped flame, gives you steady, automatic heat and remarkable oil-saving efficiency. Many users report up to 30% saving on fuel bills. Vortex oil burner is quickly and easily installed in your present boiler or furnace. Provides luxurious heating at low cost.
